

MEAL DELIVERY

After 5 years of serving the Greater Nashville area, we have found that each client has different needs and wishes. We believe our clients should enjoy the foods that they want, so pricing is set at a **service fee plus the cost of groceries.**

The Personal Chef Meal Delivery service fee includes menu planning, grocery shopping, food preparation and delivery. 10% of the grocery fee is added for containers and pantry items.

STANDARD SERVICE PACKAGES	
3 entrées, 4 portions of each	\$150
5 entrées, 2 portions of each	\$175
5 entrées, 4 portions of each	\$225
5 entrées, 6 portions of each	\$250
Special diets (additional menu planning)	\$40-\$60 per service

Side dishes that are appropriate to the entrées are included. This may be a starch, vegetable or salad, depending on your dietary needs. For those clients who prefer to do their own sides (steam veggies, salad, bread), we do offer the option of selecting another entrée in lieu of the sides (with five entrée plans).

Meal delivery service is offered within 35 miles of our kitchen location.

DINNER PARTIES & SMALL EVENTS

This is your chance to be creative and impress your friends. You and your Chef will design the menu, and your work is done! Your guests don't even have to know that you had a Chef working in your kitchen all day - unless you want the Chef to stay and assist you with serving a fabulous meal.

Whether it is dinner for 2 or 12, a buffet for 25, or a small cocktail party with an assortment of hors d'Oeuvres, let Joyful Provisions Catering & Events help turn your event into something special for you.

SEATED DINNERS

Courses available:

- hors d'Oeuvres

- service staff required.

SPECIAL TOUCHES

A Romantic Dinner for Two can be made even more special with massages before dinner, or perhaps the event needs music, a hypnotist, or a palm reader to make it more memorable.

We will plan additional services like these to turn your dinner or event into something truly special. Contact Us for a free consultation.

BUFFET DINNERS (FOR 8 TO 25 GUESTS)

In addition to the factors listed above, pricing for buffet dinners also depends upon the level of service desired. The following is a guideline:

- **Make-ahead service:** We will prepare everything in advance; and provide a timeline for you to heat and serve.
- **Up-to-the-minute service:** We will prepare the food and set up the buffet, but leave just as guests are arriving.
- **Full service:** We stay through the party and handle clean-up.
